

WHERE ARE THE JOBS?

ManpowerGroup Employment Outlook Survey

SINGAPORE
Q3 2020

266 Singaporean employers shared their hiring plans for Q3 2020

-28%

Singapore's
Q2 2020
Net Employment
Outlook

The Net Employment Outlook is derived by taking the percentage of employers anticipating total employment to increase and subtracting from this the percentage expecting to see a decrease in employment at their location in the next quarter.

The Net Employment Outlook has been seasonally adjusted.

Industries with Strongest Jobs Outlook

Public Admin & Education (+10%)

Transportation & Utilities (-1%)

Finance, Insurance & Real Estate (-3%)
