India's
Q4 2019
Net Employment
Outlook

ManpowerGroup Employment Outlook Survey reveals that Indian employers report respectable hiring plans in October - December 2019 time-frame and will remain relatively stable when compared to last quarter.

5,131 India employers were asked:

How do you anticipate total employment at your location to change in the next three months compared to the current quarter.

*Once the data is adjusted to allow for seasonal variation, the Outlook stands at +20%.
