

WHERE ARE THE JOBS?

ManpowerGroup Employment Outlook Survey

SINGAPORE
Q4 2020

462 Singaporean employers shared their hiring plans for Q4 2020

-3%

Singapore's
Q4 2020
Net Employment
Outlook

The Net Employment Outlook is derived by taking the percentage of employers anticipating total employment to increase and subtracting from this the percentage expecting to see a decrease in employment at their location in the next quarter.

The Net Employment Outlook has been seasonally adjusted.

Industries with Strongest Jobs Outlook

Transportation & Utilities (+5%)

Finance, Insurance & Real Estate (+3%)

Public Admin & Education (+1%)

Mining & Construction (+1%)
